In May 2009 Waikato Year 12 and 13 students had the chance to find out about a wide range of careers such as health, forestry, army, Police. Students are able to go through the bus and listen and view visual information using "pods".

We note that your school is not on next year's schedule (2010). We would like to offer your school the opportunity to participate in the Inzone bus for 2010.

If your school is interested in participating from August-September 2010 can you please let me know as so I can forward your details to the National Inzone Co-ordinator to be added to the programme?

The Waikato District Health Board are also holding a **Work Choice Health Careers Expo May or June 2010**, information will be circulated to schools for more information please contact Robyn Payne 078398899 ext 8923.
